

Management Strategy Evaluation Core Group

Next Steps – core group stakeholder workshops.

- ▣ Working with large groups of participants can be difficult and inefficient
- ▣ To speed progress we will select a small core group of stakeholder participants
 - 10-15 participants
 - Participants will represent a range of fishery perspectives
 - Participants will attend 3 workshops
- ▣ Core group participant or not
 - We encourage you provide additional input
 - Contact participants and ask for updates
 - Following the Council website (www.mafmc.org).
