

## **Summer Flounder, Scup, and Black Sea Bass Advisory Panel Webinar**

**Tuesday, November 10, 2020  
1:00 PM-4:00 PM**

### **Connection Information**

Webinar: <http://mafmc.adobeconnect.com/fsb-ap-nov-2020/>

Audio only: 1-800-832-0736, room #4472108

### **Meeting Objective**

The purpose of this meeting is to review staff recommendations for 2021 recreational management measures for summer flounder, scup and black sea bass, and to provide Advisory Panel input to the Monitoring Committee, Council, and Board on the 2021 recreational management measures for all three species.
