- Phone-Only Access: 1-415-655-0001 (U.S. Toll Free); Access code: 2349 955 1755. Please only use this option if you are not connecting to the webinar on your computer or device. Otherwise follow the audio connection prompts to call in when you join the webinar.

### MEETING OBJECTIVES

The objectives of this meeting are to:

- Review the Monitoring Committee's recommendations for 2024-2025 recreational management measures for summer flounder and scup and 2024 recreational management measures for black sea bass, and to provide Advisory Panel input on these measures,
- Receive a brief update on the Recreational Measures Setting Process Framework/Addenda, and
- Receive an update on the evaluation of commercial summer flounder minimum mesh regulations and exemptions (i.e., minimum mesh size regulations, Small Mesh Exemption Program, and the flynet exemption), and provide feedback on these issues.

### AGENDA

*Times are approximate and may change based on pace of discussion.*

*Public comment will be allowed at designated times, at the discretion of Council and Commission staff.*
