

## Summer Flounder, Scup, and Black Sea Bass Monitoring Committee Meeting

Monday, November 13, 2017, 1:00 PM – Tuesday, November 14, 3:00 PM

Hilton Garden Inn BWI Airport  
1516 Aero Drive  
Linthicum, MD 21090  
Telephone: (410) 691-0500

### Meeting Objective

The Summer Flounder, Scup, and Black Sea Bass Monitoring Committee will meet to recommend recreational management measures for these three species for the 2018 fishing year. The Committee will also discuss ongoing options for improvements to the recreational management measures process and ongoing analyses related to recreational fishery issues for these three species.
