Comments: Please be aware that spring-summer offshore wind survey activities for US Wind's MarWin project off the coast of Maryland are to commence about April 1 and be completed by about June 30, 2021. Further information can be obtained directly from US Wind's Fishery Liaison Officers:

Wolfgang Rain - Sea Risk Solutions, LLC - wrain@searisksolutions.com – (206) 427-6553

Ron Larsen - Sea Risk Solutions, LLC - ronlarsen@searisksolutions.com – (570) 242-5023

From US Wind's Mariner's Page at: <https://uswindinc.com/mariners/>

And from the MAFMC Offshore Wind Notices: <https://www.mafmc.org/offshore-wind-notice>

We look forward to hearing from all maritime stakeholders. Thank you.
