

Mid-Atlantic Fishery Management Council EAFM Recreational Summer Flounder Management Strategy Evaluation

Core Stakeholder Group
March 1, 2022

Workshop 3 – Combining Stakeholder Perspectives and Simulation Models, Part 2

AGENDA

Participant Preparation

Explore Miro Boards: [Learning to Use Miro](#) (see email for more information)

Meeting Goals

Review process and progress to date

- Ensure shared understanding
- Note any points to revisit

Weight trade-offs

- Produce prototype weights
- Complete prototype process

Review prototype results

- Demonstrate prototype results
- Review output format

Revise prototype performance metrics

- Revise metrics reported

Revise prototype management strategies

- Revise prototype strategies evaluated
- Propose additional strategies

March 1

Morning 9:00 - 11:30

Afternoon 1:00 - 4:30

9:00 - 9:10 Welcome & Process Check-in

- Restate our vision - Brandon
- Restate our guidelines - Jonathan

9:10 - 9:50 Context & Progress update - Facilitation Team

- Paint the process picture - Jonathan

Break

10:00 - 11:30 Trade-offs - Facilitation Team

- Explain Process
- Elicit Weights

11:30 - 1:00 LUNCH

- *Informal conversations via spatial.chat (<https://spatial.chat/s/SFMSE>)*

1:00 - 1:45 Prototype Results – Model Team

- Prototype Inputs, Structure Settings, Outputs

1:45 - 2:30 Model Feedback - All

- Feedback on prototype Inputs, Structure Settings, Outputs

Break

2:40 - 3:25 Performance Metrics - All

- Revise prototype metrics
- See Performance Metrics document as background

Break

3:35 - 4:20 Management Strategies

- Revise prototype strategies and actions

4:20 - 4:30 Next Steps

- Review Completed, In Progress, and Remaining Tasks - Jonathan
- Process and timeline - Brandon

Note: agenda topics and times are subject to change and not all topics may get covered
